Bernard Evslin : Hercules before purchasing it in order to gage whether or not it would be worth my time, and all praised Hercules:

It downplays some of Hercules' sins to make him more a one-dimensional hero, but it's extremely tragic and violent for a kid's book. I remember thinking how bizarre it was that the preteen Iole would be so desperately in love with the adult Hercules. Those nasty ancient greek poets! The comic-book style art is also worthy. 0 of 0 people found the following review helpful. Hercules and his many battles - priceless By Cheryl Price I find Greek Mythology and the stories that have arisen from them fascinating. It's certainly not an easy path for Hercules as he is hated by Hera, Queen of the Gods. She of course want's him dead. Does she succeed? Well yes and no. You'll have to read it yourself to understand what my words mean. Like I have stated before, if you look hard enough, you will be able to see where some of our present day words have come from - Such as Hydro. 0 of 0 people found the following review helpful. Nicely written compendium By Voracious Veraciousness A nicely written compendium of all the labors of Hercules, simply written, intensely moral, a model for those who would grow to protect humanity from the ills that might befall us.

Greek mythology's mightiest hero faces the world's most fearsome beasts, monsters, and demons

About the Author Bernard Evslin (1922–1993) was a bestselling and award-winning author known for his works on Greek and other cultural mythologies. The New York Times called him "one of the most widely published authors of classical mythology in the world." He was born in New Rochelle, New York, and attended Rutgers University. After several years working as a playwright, screenwriter, and documentary producer, he began publishing novels and short stories in the late 1960s. During his long career, Evslin published more than seventy books—over thirty of which were for young adults. His bestseller *Heroes, Gods and Monsters of the Greek Myths* has been translated into ten different languages and has sold more than ten million copies worldwide. He won the National Education Association Award in 1961, and in 1986 his book *Hercules* received the Washington Irving Children's Book Choice Award. Evslin died in Kauai, Hawaii, at the age of seventy-seven.
